Fees for long-term residency at Zengården

Members who stay long-term at Zengården (longer than five weeks) pay fees at a progressively reducing rate: the longer the stay, the lower the fees. A four-month stay including all sesshins costs about 14.500kr. A one-year stay costs about 18.500kr.

Membership Fees

Any member who becomes resident at Zengården pays the membership fee (around 300kr per month) in addition to the above fees for the first six months of their stay. If you are not a member but are interested in coming to stay, you are welcome to email us to ask about membership.
